INTRODUCTION

This guide outlines the recommended methods for cleaning and caring for your Lusso piece, ensuring it retains its beauty and performance over time. Thoughtful care will preserve the integrity of the materials and allow you to enjoy your product for many years to come.

In the unlikely event that a product does not perform as intended despite correct care and maintenance, Lusso offers guarantees across our collections, with durations tailored to each product. Full details of our guarantees can be found [here](#).

GENERAL ADVICE

The following points are applicable to all finishes and materials, but please note the additional points depending on the different material of the product.

- Clean regularly using warm water.
- Avoid direct contact with heat to protect the surface finish.
- Take care with sharp objects as these may scratch or damage the surface.
- Do not use acidic cleaners, such as vinegar, bleach or hydrogen peroxide.
- Do not use abrasive scouring pads.

MARBLE

Follow all general cleaning and care instructions, and in addition;

- Use a non abrasive cleaner, or warm soapy water.
- Use a soft, or microfibre cloth for both cleaning and drying.
- Wipe spills immediately to avoid stains.
- Never scrub the surface.

TRAVERTINE

Follow all general cleaning and care instructions, and in addition;

- Use a diluted detergent or simple natural soap solution.
- Use a clean, colourless and non abrasive cloth for both cleaning and drying.
- Tend to any spills immediately to avoid the liquid soaking in and staining.
