# INSTALLATION STEPS

**Please note, we recommend that this product is installed by a fully qualified electrician.**

- 1** Before installation, locate the fuse box and turn off the power to the relevant circuit. Next, make sure to test the existing switch/socket to confirm that the power is turned off.
- 2** Check and confirm the existing electrical box is compatible with the scone fixture and can support its weight.
- 3** Secure bolt A to the wall, ensuring alignment with the hole spacing on the hanging board B.
- 4** Affix Hanging Board B to Bolt A using Screw C, and tighten firmly.
- 5** Carefully connect the wiring harness D from the scone to the corresponding electrical wires within the wall, ensuring all connections are secure.
- 6** Position the Back Plate E over the mounted hanging board B, and fasten in place with screw F.
