

Technical drawing of a rectangular plate. The drawing shows a rectangle with a horizontal dimension of 1000 and a vertical dimension of 800. The dimensions are indicated by arrows and labels. The horizontal dimension is labeled '1000' and the vertical dimension is labeled '800'. The drawing is a simple line representation of the plate's geometry.

Technical drawing of a vertical structural member, likely a column or wall section. The drawing shows a cross-section with a total width of 25 units and a central core width of 15 units. The member is composed of several horizontal layers or segments, with some internal reinforcement or detailing visible. The drawing is oriented vertically, with the dimensions 25 and 15 indicated at the top.

Technical drawing of a shaft with dimensions 5, 5, 9, and 6.

1600 x 800

All dimensions provided in millimeters.
