

MIRRORS CLEANING & CARE

INTRODUCTION

This guide outlines the recommended methods for cleaning and caring for your Lusso piece, ensuring it retains its beauty and performance over time. Thoughtful care will preserve the integrity of the materials and allow you to enjoy your product for many years to come.

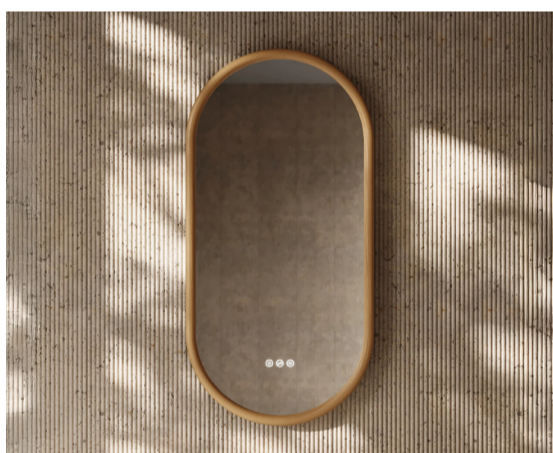

In the unlikely event that a product does not perform as intended despite correct care and maintenance, Lusso offers guarantees across our collections, with durations tailored to each product. Full details of our guarantees can be found [here](#).

GENERAL ADVICE

- Ensure electricity is off before cleaning.
- Avoid bleach, strong detergents, and abrasive cleaners.
- Avoid using acidic or abrasive materials, as well as scouring pads, as these may scratch the surface.
- Regular cleaning and good ventilation will help maintain the mirror's refined appearance and protect it from excess humidity over time.
- For the mirror glass, use a lint-free cloth and a quality glass cleaner, applying the product to the cloth rather than directly onto the mirror to prevent runoff onto the frame. Wipe gently in circular motions until streak-free.

WOOD FRAME

Follow all general cleaning and care instructions, and in addition;

- Clean using a soft, lightly damp cloth, ensuring it is never saturated, and dry immediately with a clean cloth to prevent moisture absorption.

METAL FRAME

Follow all general cleaning and care instructions, and in addition;

- Clean using a soft, or microfibre cloth with warm, soapy water, and dry thoroughly to reduce the risk of marks or corrosion.

STONE FRAME

Follow all general cleaning and care instructions, and in addition;

- Cleaning products can be used but please follow the instructions on the packaging of your chosen cleaner.
- Do not use vinegar, lemon juice, or acidic cleaners.
- Scratches on stone products can be polished out using various grades of sandpaper.
