

SHOWERS CLEANING & CARE

(INCLUDES SHOWER SETS,
ENCLOSURES, DOORS, SCREENS, TRAYS)

INTRODUCTION

This guide outlines the recommended methods for cleaning and caring for your Lusso piece, ensuring it retains its beauty and performance over time. Thoughtful care will preserve the integrity of the materials and allow you to enjoy your product for many years to come.

In the unlikely event that a product does not perform as intended despite correct care and maintenance, Lusso offers guarantees across our collections, with durations tailored to each product. Full details of our guarantees can be found [here](#).

- For the glass, use a lint-free cloth and a quality glass cleaner, applying the product to the cloth rather than directly onto the glass. Wipe gently in circular motions until streak-free.
- For the metal sections clean regularly using a soft, or microfibre cloth with warm, soapy water. Avoid using abrasive materials, such as scouring pads, as these may scratch the surface. Dry thoroughly after cleaning to prevent water marks.
- For the stone trays, do not use concentrated bleach, vinegar, lemon juice or acidic cleaners. Scratches on stone trays can be polished out using various grades of sandpaper.
- To remove limescale - particularly around taps - use a soft toothbrush to target affected areas without disturbing surrounding finishes.
- Good ventilation will help maintain the refined appearance of your products.

CUSTOMER CARE

If you have any questions regarding materials, care, or maintenance, our Customer Service Team is here to help:
UK / Europe / Rest of World: +44 (0)20 3370 4057 | UAE (WhatsApp): +971 52 221 6683 | Email: customerservice@lusso.com
