

TAPS CLEANING & CARE

(INCLUDES BATHROOM TAPS, POT FILLERS, MIXER TAPS, PULL OUT TAPS)

INTRODUCTION

This guide outlines the recommended methods for cleaning and caring for your Lusso piece, ensuring it retains its beauty and performance over time. Thoughtful care will preserve the integrity of the materials and allow you to enjoy your product for many years to come.

In the unlikely event that a product does not perform as intended despite correct care and maintenance, Lusso offers guarantees across our collections, with durations tailored to each product. Full details of our guarantees can be found [here](#).

- Clean regularly using a soft, or microfibre cloth with warm, soapy water.
- Dry thoroughly and wipe away excess water after use to reduce the risk of marks or corrosion.
- Avoid abrasive materials or scouring pads, as these may scratch the surface.
- To remove limescale use a soft toothbrush to target affected areas.
- During installation, ensure your plumber takes particular care, as this is when surface damage is most likely to occur.
- Avoid dropping the product as this has a chance of marking the surface.
