

VANITY UNITS CLEANING & CARE

INTRODUCTION

This guide outlines the recommended methods for cleaning and caring for your Lusso piece, ensuring it retains its beauty and performance over time. Thoughtful care will preserve the integrity of the materials and allow you to enjoy your product for many years to come.

In the unlikely event that a product does not perform as intended despite correct care and maintenance, Lusso offers guarantees across our collections, with durations tailored to each product. Full details of our guarantees can be found [here](#).

GENERAL ADVICE

- Avoid abrasive cleaners, solvents and bleach on all materials that make up your vanity unit.
- Avoid putting heat appliances on the surfaces.
- Take care with sharp objects as these may scratch or damage the surface.

WOOD & STONE

- Clean the stone basin part using a soft, damp cloth.
- For the wood parts of the product avoid cleaning with excessively wet cloths and make sure to completely dry the surface after cleaning.
- Do not expose wood vanity units to direct sunlight, heat sources, or standing water.

MARBLE

Follow all general cleaning and care instructions, and in addition;

- Wipe spills immediately to avoid stains.
- Never scrub the surface.
- Your marble should be sealed once a year, or earlier if water stops beading or signs of staining appear.

CUSTOMER CARE

If you have any questions regarding materials, care, or maintenance, our Customer Service Team is here to help:
