

How to paint your Lusso Creative Bath?

Material Kit

Installation manual x 1

Sandpaper CC-320 x 1

Sandpaper CC-240 x 1

Sandpaper CC-600 x 1

Operation Process

1.

Use the CC-240 sandpaper to sand the surface of your bath. Sand the top surface until there is visible sand marks in the surface.

2.

Use the CC-320 sandpaper to sand the bath. This time you need to make sure you remove the sand marks in the surface.

3.

Use the CC-600 sandpaper to sand the bath. This time you need to make sure the surface is very smooth.

4.

Clean the product with a damp cloth and be sure to remove any dust particles. Dry the bath with a soft cloth.

5.

You are now ready to paint your bath. We recommend using Egg Shell Paint.
